Vacancies for Councillors

Any registered elector living or working within the parish boundary of Shaftesbury or within 3 miles (4.8km) of it may apply for election to Shaftesbury Town Council. Elections are held every four years (the next elections are due in May 2019) but occasional vacancies can occur within that period due to the resignation or departure for any reason of a sitting member. Elections for casual vacancies are only held if ten electors in the relevant ward apply to NDDC for one to be held. If there is no request vacancies are filled by cooption and any contest for a vacancy is decided by a vote of the sitting town council members. For details of how to become a member of Shaftesbury Town Council apply to the Electoral and Committee Officer at North Dorset District Council.
