Agenda

1. Progress review since February meeting – review of [draft action plan](#) to date
 - a) Engaging and enabling our community
 - b) Transforming our Nature
 - c) Supporting Sustainable Food
 - d) Reducing Consumption and Waste
 - e) Reducing Energy Demand – development of an Energy Strategy
 - f) Changing the way we move around

This will be an opportunity to critique, amend, add in missing information etc. This is v4 of the draft plan and all the information is starting to come together however the plan is very much still in the developmental stage. It is noted there are some duplications and some tidying up to do however this will form the basis of our discussions. The Youth Council comments have been incorporated and are shown in green text.

2. Neighbourhood Plan review and update – key topics and database of information
3. Any other business
