Public Participation

Members of the public were invited to make representations to the Council on any matters relating to the work of the Council or to raise any issues of concern. The following matters were raised:

- Cllr Beer commented that, on all committees he serves on, he has noted a high usage of consultants. Sometimes this works well but he wanted to give a word of caution that some authorities feel it is not good use of money.
Cllr Edwyn-Jones stressed that consultants are only used to provide expertise and time that members and officers may not have.
- Cllr Edwyn-Jones thanked Dorset Cllrs Beer and Jeanes for their report but felt that, in future reports, it would be interesting to know how many members of the public contact them and what about.
Cllr Jeanes explained that their reports are prepared based on what goes on across the whole county not just Shaftesbury and that most issues raised are confidential. He commented that they have been dealing with several resident issues where people are struggling financially.
- Cllr Heritage is aware that Shaftesbury Town Silver Band have been selected to represent the whole region at the National Finals 2026. Folde have also been awarded Best Indie Bookshop in the South West in the @thebritishbookawards, and he felt that both should be congratulated.

The meeting commenced at 7.07pm.
