- The hours of interment will be between 9.00 am and 3.30 pm Monday to Friday. No interment will normally take place at weekends or public holidays although Saturday interments will be permitted in special circumstances. Due consideration will be given to religious requirements which may require alteration to the foregoing.

in order that contact can be maintained.

## **MEMORIALS, FLORAL TRIBUTES, TREES AND SHRUBS**

- No memorial shall be placed in the Cemetery, and no alteration/additional inscription shall be made on any memorial without the permission of the Town Council. - Memorials must be installed in accordance with the current National Association of Memorial Masons (NAMM) Guidelines.

The Town Council may authorise removal of memorials from private graves, where the right of burial period has expired, or if the memorial has not been maintained.
- It is the responsibility of the owner to maintain the memorial in a good state of repair. In the event of any such memorial becoming dangerous, or dilapidated, the Town Council will give notice to the owner requesting the repair or removal of any such memorial. Failure to do so may result in the Town Council removing a memorial if it fails a health and safety inspection. If the Town Council is unable to trace the owner after taking such reasonable steps as it may consider necessary for that purpose, then the Town Council will take appropriate action to make it safe and tidy.
- All memorials (including any vase) shall have the grave space reference number inscribed on the reverse. The inscription of any advertisement will not be permitted.

- Flowers should only be placed in containers integral to the memorial or for graves only, placed on the memorial base or for cremation plots, placed on the memorial. Flowers and/or containers must not be
