Grant Awarding Policy

1. Background

- 1.1. Shaftesbury Town Council serves the wards of East and West Shaftesbury and is the tier of local government closest to the community it serves. The council's income comes principally from a precept paid by local residents as part of their council tax. Some of this income is then used to give grants to support local organisations and projects that will enhance the economic, social and environmental well-being of people who live and work in the Shaftesbury Area. Grants may be given to new or on-going projects and may be for either capital or revenue funding.

2. Criteria For Eligibility

- 2.1. Shaftesbury Town Council will only support voluntary organisations or community groups based or working within the parish boundary of Shaftesbury, not individuals. Consideration will be given to projects that provide evidence that they primarily service the interests of, or are for the benefit of, Shaftesbury residents.
- 2.2. The total amount of Community Grant funding available in any given year is determined by Full Council as part of the annual budget setting process.
- 2.3. Community Grants up to £1,000: Applications for Community Grants will be considered by Full Council.
- 2.4. Community Grants over £1,000: Applications will be considered in certain circumstances and will be considered by Full Council.
- 2.5. Organisations may only apply for one grant in any one financial year.
- 2.6. It should be noted that Shaftesbury Town Council cannot be the sole source of income for an organisation or project. A significant proportion needs to be raised elsewhere or be provided in-kind. Evidence of contributions raised elsewhere to help fund the organisation or project may be requested.
- 2.7. The maximum amount of grant aid to be available to organisations will be determined by the Council within the limits of the Council's Grants Budget. Applications for financial support from the Council are to be submitted in accordance with the timescales below. Applications received late or outside of these timescales may be considered at a later date, within budget restraints at that time.
- 2.8. Applicants may be contacted by Council Officers to clarify further detail if required.

3. Requirements

- 3.1. The following criteria has to be met in order to be considered for grant funding:

- a) The purpose(s) for which the funding is required should be clearly identified.
- b) Applications for funding must demonstrate contributions awarded for or received from other sources totalling at least 50% of the overall project cost.
- c) Applicants should submit their latest audited accounts, providing the organisation has been in existence for at least 18 months. If the organisation has been in existence for less than 18 months, evidence that a separate bank account has been opened should be provided.
- d) Organisations applying for more than £1,000 are requested to provide the Council with a list of Officers of the Organisation, the number of active members and the number of volunteers.
- e) Charities should provide their registered charity number.
- f) Applications for grants may be made for capital or revenue funding i.e. for the development of projects or to assist in specific running costs. Timescales for the use of the funding should be stated in your application.
- g) Applicants must demonstrate equality of access and opportunity.
- h) Equipment purchased with the grant must remain the property of the organisation.
- i) Organisations must advise the Council on application, or as soon as known, whether there will be any fundamental changes to their service, premises or project, within the next 12 months.

- e) Food or hospitality
- f) The Council may support projects that employ people, but will not fund salaries payable to project organisers.
