

PROPOSED HIGHWAY WORKS IN YOUR AREA

LOCATION: - A350 Ivy Cross Roundabout Shaftesbury

To enable us to carry out essential highway maintenance works, we plan to close A350 Ivy Cross Roundabout Shaftesbury between **7th** and **11th** May 2024.

The road will be closed at night between the hours of **20:00** and **06:00**, and will re-open to traffic daily and at weekends.

We will be carrying out targeted and localised repairs to sections of those roads highlighted in red on the attached map. The **A350** to **A30** will be under 2way lights, All other routes will be under the recommended diversion routes marked in blue, National regulations state that traffic must be diverted onto roads with the same classification as the one that is closed.

During the closure periods there will be no on street parking available, and temporary parking restrictions will be implemented to prevent waiting or parking on the roads listed above. Please note that any vehicle waiting in contravention of temporary parking restrictions may be removed under the provisions of the Removal and Disposal of Vehicles Regulations 1986. If a vehicle has been removed, the owner must contact the Council's vehicle recovery contractor: Ashleywood Recovery Ltd/Bride Valley Recovery Ltd on 01305 889421.

These works will be carried out by Miles Macadam on behalf of Dorset Council.

If you wish to discuss these works in more detail, please contact me using the details below.

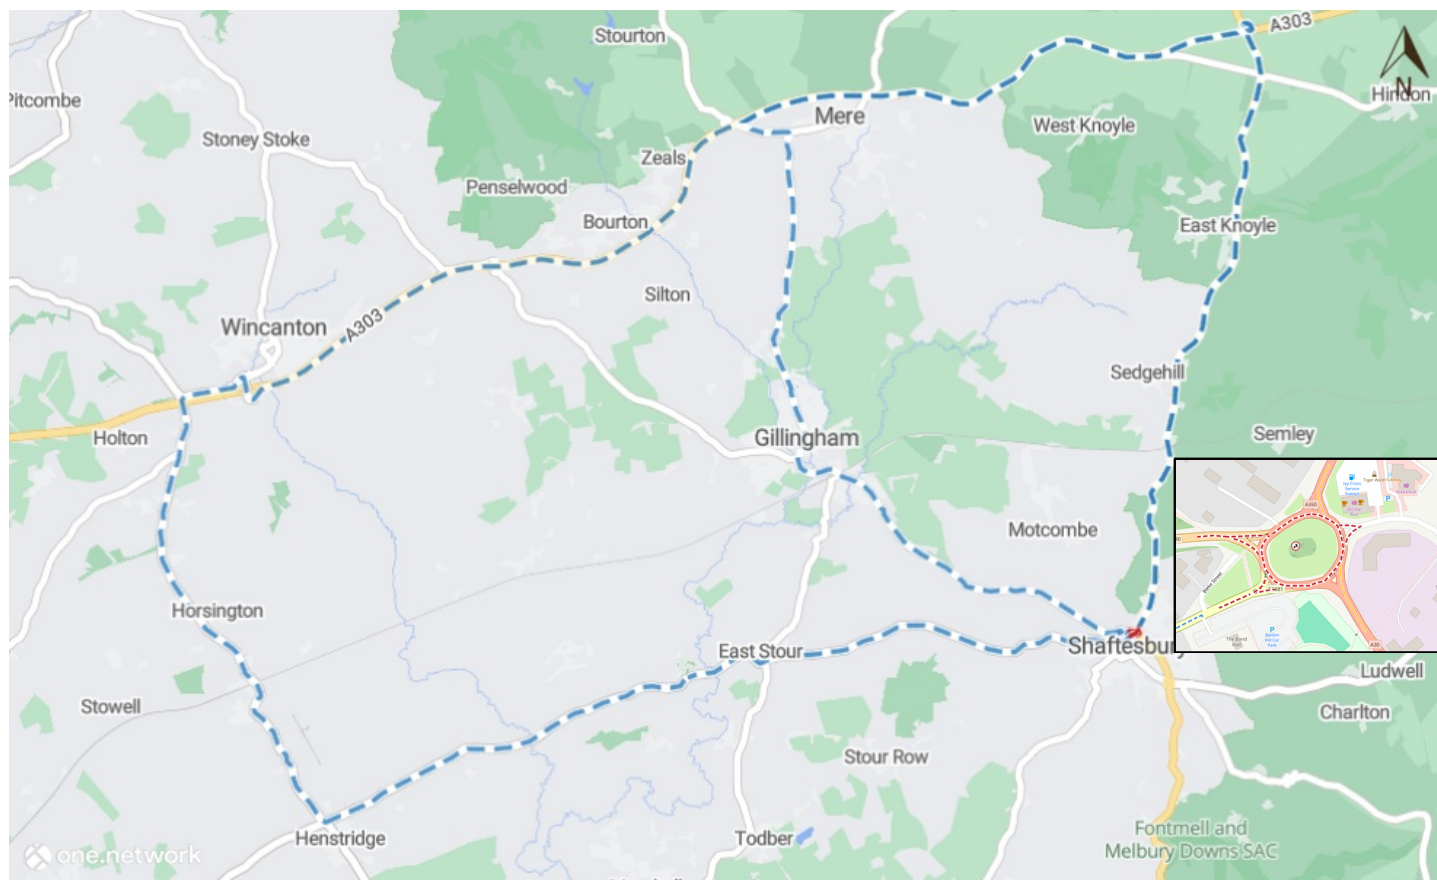

Yours faithfully

Jason Loibl
